AGENDA POINTS RAISED BY AIR CARGO FORUM INDIA (ACFI).

8. SIMPLIFICATION OF THE PROCEDURE OF RETURN TO ORIGIN (RTO)

ACCI informed that presently, return to origin is permissible on merit basis in terms of Circular No.04/2015 dated 20.01.2015 issued by CBIC and the authority to grant permission for re-export of goods has been granted to the officer concerned as per the

adjudication powers. The above process is essential and is carried out in a time bound manner.

ACCE informed that on the basis of return order received from ACCI, the re-export/return to shipper is allowed immediately after the payment of imposed fines and penalty, if any, in the order issued by ACCI.

ACFI requested for issuance of Circular/Advisory for simplification of process of return to origin facility for general cargo on the lines of similar facility provided by airlines for excess landed baggage etc.

The chair informed that the Board has already simplified Return to Origin in Courier mode by introducing new functionality in ECCS w.e.f. 01.04.2026. He informed that general cargo cannot be equated with baggage. However, Govt. is working on simplification of RTO in respect of general cargo too.

(Action: - Policy Matter)

9. REQUEST TO ABOLISH PRACTICE OF EFO SIGNATURE WHILE HANDING OVER EXPORT SHIPMENTS TO AIRLINES SINCE DUE DILIGENCE DONE WHILE GRANTING LET EXPORT ORDER (LEO)

The Chair was informed that this agenda point was already discussed during last CCFC meeting dated 05.03.2026.

The ACCE informed that endorsement by Customs (EFO) serves as a final reconciliation and supervisory control mechanism to ensure that only cargo for which LEO has been granted is loaded onto the aircraft. There is a need to match vital parameters, viz. the actual description and actual quantity of the goods, in the Export General Manifest (EGM) filed by the airlines with the corresponding Customs Shipping Bill.

The Chair directed the ACC Export Commissionerate to hold a separate meeting with the representatives of ACFI and Airlines in the coming week to examine the issues involved and identify suitable solutions if possible.

(Action: ACC Export Commissionerate)

10. REQUEST TO PERMIT PART SHIPMENT CLEARANCE

The Chair was informed that this agenda point was already discussed during last CCFC meeting on 05.03.2026.

ACCI informed that presently, short delivery is being allowed in cases of IGM Regularization only. Further, replication of ICD-TKD Public Notice not possible due to problem of physical identification of packages. Any such facility at ACCI, if at all considered, should strictly be system-driven-the EDI/ICEGATE system should automatically link all packages under the same AWB across different IGMs and only then permit part out-of-charge- rather than leaving it to manual verification at the shed level, which is both unreliable and prone to abuse.

ICES representative informed that the existing system does not presently provide

any provision for part-shipment clearance. It was further suggested that the field formations may examine and explore practical solutions to address the issue, following which the matter may be placed before the Board for concurrence.

Accordingly, the Chair directed that the concerned Commissionerate to examine the issue in detail and explore practical and feasible solutions in consultation with the concerned stakeholders. Thereafter, a comprehensive proposal regarding the process may be forwarded to the Board for consideration and concurrence.

(Action: - ACC Import Commissionerate)

11. DISPOSAL OF GOODS IN CARGO TERMINAL, COURIER TERMINAL & BONDED WAREHOUSES etc.-

ACCE informed that the Export consignments which are not restricted/prohibited are allowed back to town on payment of Re demption Fine. They further informed that disposal of warehouse goods remain pending due to pending NOCs from the port of import. Non-hazardous/Un-cleared/Unclaimed cargo ripe for disposal is being taken up for disposal as per Disposal Manual, 2019 and extant Board Notf. and circulars.

The Chair directed that a specific meeting be convened on this issue, with all custodians and trade representatives from ACFI participating in the same. They were instructed to bring complete details of all consignments pending for disposal.

(Action: - CCCU-DZ, All Commissionerates)

12. CHALLENGES FOR SMALL COMPANIES IN AIR CONSOLE AGENT REGISTRATION FOR D.O RELEASE-

Currently, in ICEGATE-based registration framework, Air Console Agents must apply for role-based registration at each Customs station, which multiplies documentation, approval time, and compliance costs for SMEs operating across multiple ports. A national, centralized ICEGATE-linked console agent registration, with parent-child user mapping for multiple ports on similar lines with CBIC initiative on auto-approval of AD Code/bank-account registration for the same IEC at multiple stations.

The Chair directed the ACCE Commissionerate to schedule a meeting with the ACFI representatives and examine the possibility of registration of air console agents through intimation-based process instead of the existing approval mechanism.

(Action: - ACCE Commissionerate)

AGENDA POINTS FROM ACAAI (THE AIR CARGO AGENTS ASSOCIATION OF INDIA)

13. WAIVER OF DEMURRAGE CHARGES

ACAAI has requested to intervene for withdrawal of the demurrage charges levied for a week from Feb 28th 2026 by GAL and DCSC in view of the sudden geo-political situation.

DCSC informed that they had issued a formal advisory to all trade bodies on 28th Feb 2026 informing them of the necessity to secure confirmed airline bookings before tendering cargo to avoid unnecessary demurrage. Further, they are also severely affected by the decline in Cargo throughput and are unable to offer a waiver on demurrage charges.

The chair observed that as informed by ACAAI, the issue is being handled by MoCA which has directed them to provide data on cargo suffered due to the geo-political crisis in gulf region. The Chair directed all the Cargo Terminal Operators (CTO), viz. GAL & DCSC to provide the requisite data to the Department within next 3 days. The same will be shared with MoCA/ ACAAI on the basis of veracity of the correspondence between MoCA and ACAAI, to be provided to this Office.

(Action: - Cargo Terminal & ACAAI)

14. NON-FILING OF EGM BY SRILANKAN AIRLINES AGAINST AWB NO. 603-60065515 DT 17.03.2023 AND SB NO. 8505141 DT. 16.03.2023

ACC Export informed that the Exporter has not intimated the department for non-compliance of provisions under Section 41 of the Customs Act by the Airline.

The Chair noted that the matter had not been previously escalated to the department. He directed that individual grievances should not be brought to this forum unless they have first been submitted to the department and have remained unresolved for an extended period. Consequently, the Chair urged all stakeholders to utilize the forum more judiciously.

(Action: - No Action Pending)

The meeting concluded with a vote of thanks to all the representatives from the Chief Commissioner of Customs, Delhi Zone.
