MINUTES OF THE 15th WEEKLY SPECIAL CCFC MEETING

A Special Meeting of the 15th Customs Clearance Facilitation Committee (CCFC) was convened under the Chairmanship of the Chief Commissioner of Customs, Bengaluru Zone on 29.06.2026 at 02:30 PM in hybrid mode at the Conference Hall, C.R. Building, Bengaluru to review issues relating to movement and clearance of import and export consignments in light of evolving global situation arising from disruptions in the Gulf region.

02. The Meeting was attended by Commissioners of Customs of the Zone- BCC, and MCC, representatives from Partner Government Agencies (PGAs), Custodians, Port authorities, Airline and Courier Operators, Steamer agents, Trade representatives, associations and other stakeholders as appended in Annexure to the Minutes.

03. The Chief Commissioner welcomed all participants to the 15th Special Weekly CCFC Meeting convened to review the impact of the prevailing global trade situation on imports and exports within the Bengaluru Customs Zone. The Chief Commissioner observed that while it had initially been expected that such Special Meetings may not be required for long, the review mechanism has proved very useful in ensuring uninterrupted cargo movement during the prevailing global situation.

A. Review of Sea Cargo Operations

04. Monitoring of LPG/Crude Imports:

The Commissioner, MCC, reported that during the period 15 June 2026 to 29 June 2026, four LPG vessels carrying 66,130.15 MT of LPG and three crude oil vessels carrying 268,438.16 MT of crude oil arrived at the port. It was reported that three LPG consignments originated from the USA, while one consignment originated from Greece. The crude oil consignments originated from Saudi Arabia, Brazil and Russia.

05. Decongestion and Export Cargo Management:

The Commissioner, MCC, informed that export cargo loaded and sailed for the Middle East during the reporting period amounted to **104 TEUs weighing 1,671.67 MT**. No export cargo remained stranded at the port, no export consignments were returned, and no requests for export document fee waiver were received, approved or rejected during the reporting period. The continued absence of returned export cargo was noted as a positive indicator of improving trade conditions.

B. Review of Air Cargo Operations

06. It was reported by the Commissioner ACC that during the period **15 June 2026 to 28 June 2026, two freighter flights and six passenger flights were cancelled**. The resulting import cargo loss was estimated at **44 MT**, while export cargo loss was estimated at **92 MT**. No export cargo remained stranded and consequently no stuck export cargo required clearance. No requests for export document fee waiver or import of pets were received during the reporting period.

C. Review of Courier Cargo Operations

07. With regard to the ACC Courier operations, it was reported by the Commissioner ACC that during the period **15 June 2026 to 28 June 2026, ten commercial cargo flights** were cancelled, while no passenger flights were cancelled. Despite these cancellations, there was **no consequential loss of import or export cargo**. No export cargo remained stranded during the period and no requests for export document fee waiver were received, approved or rejected. The Chief Commissioner appreciated the fact that courier operations continued to function without any cargo disruption despite flight cancellations.

D. Review of Land Cargo (ICDs) Operations

08. It was reported by the Commissioner BCC that no export cargo remained stranded or remained uncleared at the Inland Container Depots during the period **15 June 2026 to 28 June 2026**. No requests for export document fee waiver were received or processed during the reporting period.

E. Review of FPO Operations

09. It was reported by the Commissioner BCC that **five export articles** were cleared during the reporting period and, as on **28.06.2026, 79 export articles** remained pending at the Foreign Post Office, including **73 articles struck since March 2026**. The Chief Commissioner expressed confidence

that further progress would be made in clearance of these articles by the Postal authorities in the coming week.

10. Stakeholder Issues:

The **Chief Commissioner invited comments and concerns from trade representatives** and other stakeholders. One trade representative stated that no major issues were being faced and acknowledged the facilitation measures and monitoring mechanisms introduced by Customs formations which were functioning satisfactorily. No other issues or grievances were raised by the trade or participating agencies.

11. Summary and Closing Remarks:

Summarizing the deliberations, the Chief Commissioner observed that the overall indicators continued to remain encouraging. He noted that:

- Export cargo movement through Mangaluru Port remained stable, with 104 TEUs successfully exported to the Middle East and no export cargo being returned.
- Inland Container Depots continued to report no stranded export cargo or returned containers from the Gateway Ports.
- Courier operations maintained uninterrupted service despite cancellation of commercial flights, with no cargo loss reported.
- Air Cargo operations also continued to remain stable, with manageable cargo losses and no stranded export consignments.
- The reduction of pending articles at the Foreign Post Office from 84 to 79 articles, including clearance of five articles during the fortnight, was viewed as a positive development, and further reduction was expected in the coming weeks.

The Chief Commissioner further directed that, for the next review meeting, the presentation should include both the weekly figures as well as cumulative figures of June 2026 to facilitate better comparison and trend analysis. The Chief Commissioner thanked all officers, trade representatives and participating agencies for their continued vigilance, cooperation and support in ensuring uninterrupted trade facilitation despite the prevailing global situation.

12. The Meeting ended with a Vote of Thanks.

This issues with the approval of the Chief Commissioner.
